Sir,

Subject - Special grant for repairs to the Sanitation Road in the Nanjangud Town Municipality

In forwarding herewith, a copy of letter No H C 154/45-46 dated 10th July 1946 received from the President, Town Municipal Council, Nanjangud on the above subject, I have the honour to state that an estimate received for nearly Rs 6,000/- for effecting repairs to the above mentioned road has been forwarded to the Executive Engineer, Mysore Division for scrutiny and opinion In the meanwhile, it is again urged that the work has to be got done very urgently in view of the fact that this is a very important road frequently used by the public as well as His Highness the Maharaja whenever he is pleased to pass through the town The condition of the road is very bad and requires immediate attention

It is represented that the Municipality is not in a position to spend this large amount in repairing this important road The Council have, accordingly, at their meeting held on 28-6-46, resolved to request the Government to sanction this amount as a special grant Copy of resolution enclosed

In the Budget for the current year submitted with this office letter No D3 4356/45-46 dated 28-6- 6/8-7-46 provision has been made only for a sum of Rs 1000/- for repairs and the concluding para of the review will show that the Municipality is not capable of bearing any extra expenditure

I request, therefore, that Government may be pleased to sanction a special grant of Rs 6000/- out of their Town Improvement grants for 46-47 or from General funds to meet the cost of the above said road very early
